

## JICA 海外技術研修員との交流プログラム

1 1月2日（木）Advanced English IIの授業（2年）にJICA 海外技術研修員の方々を招いて授業を行いました。1学期にも、JICAの方には1年生のコミュニケーション英語Iの授業にも協力していただきました。今回は、14ヶ国15人の方々に来ていただき、2時間の授業に参加していただきました。

1限は、自己紹介、クイズで打ち解けた後、グループに分かれて、各国の話の聞き取りを行いました。もちろん、すべて英語です。

2限は、各国の話の聞き取りの後、その国の魅力や国の紹介を他のグループの生徒や研修員に英語で説明するという内容でした。スマホ、地図、絵を駆使して、魅力や国の紹介を必死に伝えていました。

どのグループも大変盛り上がり、生徒にとって大変貴重な経験になりました。お世話になり、ありがとうございました。

最後に全員で記念写真を撮りました。

JICAの研修員から感想をいただきました。

Hola!

One can easily sense the Japanese tradition and heritage in these high school kids. They hold the world's future in their hands. I'm sure that one of them will be your next prime minister, Nobel Prize winner, or gold medalist. Let's keep the ongoing relationship between our countries alive and strong! Many thanks to team. Please visit Ecuador soon.

Mr. Castaneda (Ecuador)

The Japanese students are so nice. It feels a great pleasure to meet them and interact with them. I did not know that despite being a very little country, many people know about Mauritius. Today's experience was amazing and I would love to have more experiences like this in the future.

It was amazing! I learned a lot about Ghana. However, it was difficult that I couldn't say something that I wanted to convey but it was a good experience for me so I want to have an opportunity like this experience again.

Ugo, S.

It was a great experience for me. I was very nervous before the event but I did my best. It was difficult for me to express what I wanted to say. Through this experience, I think that I want to work using English in the future. It was good to learn a lot of things.

Kurotsu, W.

First, I thought it would be difficult for me to talk with native speakers in English, but the guests were very kind and they told me a lot about their countries. It was nice and I enjoyed talking with them. I learned a lot about Angola. The representative showed us many pictures of their country and its culture.

Yoshida, M.

It was a very good experience for me. At first, I was a little nervous because I worried whether I could speak well but Migy was so kind, smiley, and a beautiful person. I really enjoyed the time. As I learned more about Albania, I really started to want to visit there in the future.

Matsubayashi, M.

I was really surprised by how well the students of Kasugaoka rose to the challenge. I had prepared many more activities for the students to try with the guests, but there was no time as the students and the guests were too busy talking to even take a break. I would like to thank all of the guests who were friendly and informative for sharing their culture and their time with us and the staff at JICA for allowing us this opportunity. It was an excellent experience that the students talked about for a long time afterwards.
