

Letter of Agreement

Te Aroha College

And

Sakurazuka

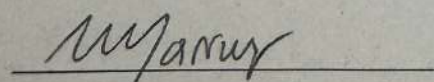

Senior High School

Sharing a common system of values and hopes for the future, and seeking to share and support those values for our students and their futures, commit this day to a partner school Relationship.

This is an educational and cultural relationship in which we seek to provide opportunities for students and staff to learn more about the culture of each other's school and nation.

We commit ourselves to working together for the benefit of our students.

We commit ourselves to celebrating this relationship in a spirit of international understanding and good will.
