Heidi, Finland 2018/04/07

Hi! It's still winter in Finland. The hills and trees are covered with snow, and beautiful auroras can be seen at night. But soon, winter will turn into spring. Green leaves will appear everywhere. We'll enjoy a picnic /in the park or by the lake. I can't wait for summer when the sun shines through the night!

Dao, Thailand 2018/04/07

April is the hottest season of the year in Thailand. The temperature can reach 38 degrees. We are on our summer vacation. In the traditional Thai calendar, April is the month when the new year starts, and we celebrate the new-year's festival, "Songkran." We walk through the city and splash water everywhere. Everyone feels cool and refreshed!
